We have a very busy week coming up for both students and staff

Maddison is Miss February!

Late last year our students were given an opportunity to submit art work for the annual Great Lakes Mayor's E-Calendar. Maddison Boyd's piece was chosen for the February page. Maddison was presented with her award on Australia Day by the local member for Myall Lakes Mr Stephen Bromhead. You can download the entire calendar from the Great Lakes Council website.

PSP Surveys

Thank you to everyone who has already sent in their surveys. Today we will be contacting those families who have not yet submitted their form. It is vital for our size school that we have 100% return.

Parent Teacher Interviews Coming Up!

With the end of term looming, staff would like to meet with each family to discuss progress so far this year. Term 1 parent teacher interviews will be held:

- Wednesday, 4th April for Upper Division
- Thursday 5th April for Lower Division

Teachers support this valuable time by using their release from face to face teaching time. You may choose a 10 minute slot between 11:00am- 2:15 or if that does not suit please contact the office.

During these interviews teacher and parents can discuss academic and social progress so far – how well your child has settled into work in 2012. Work samples and student books may also be shown to demonstrate achievement or areas for improvement.

As in the past, we hope for 100% response to this opportunity to discuss your child's progress.

Please complete the note attached with your preferred time by Friday 30th March

Remember "first in best dressed."

Tips for Parents

Holiday dates

Please note the last day of first term is 5 April with school resuming on 24 April. Easter public holidays run from 6 to 9 April.

Friendships help learning

Research shows that if children are happy socially, they are more likely to be more engaged in their learning. Check out School A to Z (www.schoolatoz.com.au) and read about how this works and what you can do to help your child make friends: www.schoolatoz.nsw.edu.au/wellbeing/development/how-friendships-boost-your-childs-learning

Reminder: Save For A Cure

This week our school will be hosting a "Shave For A Cure" event. Every March thousands of people shave, colour and wax their hair to raise funds for the Leukaemia Foundation. It's one of Australia's biggest fundraising events to support the Leukaemia Foundation's important work – providing free practical and emotional support to people with blood cancer and their families, as well as investing millions in research.

Mrs Smith will be having her hair removed and we will be asking children and parents to come along and support her financially.

Families can either place a small donation in the money box in the front office or purchase a book culled from the recent library stocktake. The money raised from the sale of these surplus books will go to the cause. Books range in price from 50c to \$2!!

(Children will be able to have their hair sprayed for \$1 as well!!)
