The children have enjoyed the Mexican Theme Day. We were able to raise \$141.00 for Mission Mexico.

Nathaniel will be participating in the final LYFH session at GLC Forster campus on Thursday 24th November. He, with 55 of his peers from across the learning community will be participating in and Excursion to Sydney on Thursday 1st and Friday 2nd December.

Year 6 Traditions

Our graduating Yr6 students, traditionally, prepare a display board illustrating their life's journey, so far. They will receive their blank cardboard today.

They, also, deliver a speech at the Yr6 Farewell describing their school memories and aspirations for the future. They should be working on both over the next couple of weeks.

Super Sleuth

Super Sleuth is a mathematics competition for talented mathematicians in Stage 3 across the Great Lakes Learning Community. It will be held on the 8th December in the Great Lakes College Senior Campus. This is a learning environment our students find very stimulating!

The students representing Bungwahl P.s in 2016 are Jy, Nathaniel, Bodhie and Jhet.

The students will be supported by Mrs Bramble
