

## News from your local High School – Bulahdelah Central

### At BCS students can now achieve a TAFE Certificate II in 1 year.

As the new Vertical Curriculum model for years 11 and 12 begins later this term, Bulahdelah Central School students will now have the added advantage of fast tracking their course completion to one year rather than the usual two years, giving them the advantages of:

- Achieving a Certificate II in Vocational Educational Training courses (VET courses) by the end of Year 11.
- Taking up the option of leaving school at the end of year 11 to attend TAFE to further their trade studies.
- Leaving school at the end of Year 11 with the Certificate II
- Studying a second certificate II in Vocational Educational Training courses (VET course) in year 12.
- Achieve their HSC using the VET course as part of their ATAR
- Only having to focus on studying for three HSC examinations instead of six. Thereby increasing their potential to achieve a higher mark.

The first opportunity to achieve this begins this term in the Hospitality course. The Tourism and Hospitality Industry is one of the key industries in Australia and provides many career opportunities for hospitality graduates. Bulahdelah Central School runs a vocational, nationally accredited Hospitality course. This means that when the students successfully complete the course they not only achieve their HSC and can use the course as part of their ATAR, they will also receive a TAFE qualification – a Certificate II in Hospitality which is recognised throughout all of Australia and internationally.

The Certificate II in Hospitality equips students with skills and knowledge to enable them to enter work in various departments of the hospitality industry. It can be used to:

- Gain entry into TAFE where credits will be received for completed units.
- Gain employment in the hospitality industry as an apprentice chef, food and beverage attendant, reservations clerk or a range of other positions.

### Hunter Youth Primary Ensemble

Jhet's drama group auditioned several months ago to perform at the NSW State Primary Schools Drama Festival and were successful. Last Thursday saw HYPED (Hunter Youth Primary Ensemble of Drama) perform at the Matinee Performance at The Seymour Centre in Sydney. Hosted by Jay Laga'aia (Play School, The Lion King, Home & Away), they were one of 13 groups that performed in front of an audience of over 500. The piece that they performed was "I'm So Hungry I Could..." which they scripted and developed themselves. The audience loved the comedy in the piece and the children did a stellar job, for their first time in front of such a large audience.
