Trivia Night

I would like to congratulate Sal, Mandy, Elisa and Nikki and the rest of the P&C team for an excellent night.

The hall looked great and the organisation was fantastic!
Our two comperes, Glen and Miles, did an outstanding job. They keep the show rolling (even once or twice using a teacher voice).
Boys, if your day job should ever fall over I hear there may be vacancies coming up in local schools. I'm just saying.
Not since Hoges and Strop have we seen such a double act. You choose which was which!

The evening was a financial success. The P&C raised at least \$600.
The greater success was that feeling of community and bonhomie (good humour) that the Trivia night generated.

- All outstanding students accounts to be finalised by 30th November

A great place to be,
a great place to learn

Elections of School Leaders

All students from Kindergarten to Yr5 will have the opportunity to vote for our school leaders for 2017. The election will be conducted in Week 6 on Thursday 17th November. All students who wish to be school leaders need to prepare a speech explaining why they would make an excellent school leader. The speech will be delivered on the morning of Thursday 17th November.

Following the speeches a secret ballot will be conducted for all eligible students and staff. The school leaders will be announced on presentation day.

Mexican Monday 21st November 2016

Sophie Marvell, who did her entire primary education at Bungwahl PS and was school captain in 2004, is now in Mexico volunteering for Mission Mexico.

Mission Mexico is a refuge for up to 50 abused, abandoned or neglected children. It provides the children with a loving and secure home with an emphasis on education.

Sophie, through her parents Kev and Sal, has asked

if her old primary school could raise some money but also develop a relationship with Mission Mexico.

I have discussed this with the SRC and they wish to have a Mexican themed day. It will be Monday the 21st November. More details will be provided in next week's Monday Messenger.

Outstanding Excursion and Uniform Accounts.

At the moment we have worth \$591.00 of outstanding accounts.

All outstanding accounts will be posted today. All accounts need to be finalised by Monday 28th

It would be unfair on Mrs Farley to inherit outstanding accounts from 2016.

Talented Students

A few weeks ago Sienna, Bodhie and Emma travelled to Sydney to compete in a state Gymnastic competition. It was in Pymble ladies college. The girls had to compete individually in front of a panel of three judges. Bodhie and Emma gained Silver and Sienna gained her third Gold of the season!

After several hours competing the girls were given a huge responsibility of working as runners for the judges, they ended up working for over two hours and were exhausted but represented the club so well with their work ethic!

It was a wonderful experience to compete against the best clubs in the state who had teams of coaches to support them and to achieve such a high level. The girls were composed and their

behaviour outstanding, a credit to both parents and Kate our wonderful coach.

Helena Bryne

I just want to say a big thank you to all who supported this wonderful fundraiser that fitted perfectly with our healthy school philosophy. The final result was an amazing total of 192 trays of with a profit of \$1,152. The family who sold the most and is the winner of the free tray of mangos is Matt Dransfield's family.

There is a hand full of trays left if anyone wants one as we had to buy them in batches of 8 but be quick.

Expected delivery is still Monday 5th December & I look forward to doing this again next year.

Cheers,

Nikki Dixon
