## Principal's Message

WINNERS ARE GRINNERS - this old saying was certainly true for this group of Bungwahl students who won awards at

'The Bulahdelah Show' this year and our DEBATING champions who won the grand final debate against Tun-curry PS. Bungwahl students are continuing to impress people from across the area with their excellent skills and talents. Congratulations to all our students, parents and staff. It is a team effort to reach these levels of

success. A combination of high expectations, hard work, support and encouragement.

I encourage all families to participate in the interviews with Mrs Sue Hobbs-see attached sheet. This is an opportunity for all of us to work together, to make a plan for the next three years, to give our students the best educational opportunities possible!

Tomorrow I will join Mr Tyrrell, Mrs Davis and Mrs Smith in accompanying the Upper Division on their excursion to Sydney. We are all very excited, and ready for a fantastic learning adventure.

As we move into the last few weeks of the 2017 school year I would like to remind all families to ensure your children attend school EVERY day. We are busy completing units of work, assessing your child's learning, rehearsing 'Pirates of the Curry Bean' and of course having lots of fun.... So children, don't miss a day!

Mrs Farley

### Debaters Defeat Tuncurry

There was a lot of school pride on show at the recent grand final of the Lower North Coast Debating competition. Both teams (Bungwahl and Tuncurry) did their schools proud! But it was the Bungwahl team who was declared the winner in the David and Goliath battle!

After winning the toss we chose the affirmative for the topic "That team sports are better than individual sports". Then it was off to put our arguments together – 20 minutes during which I was allowed to assist and 40 minutes working as a team. The impromptu format is a very difficult one for anyone, let alone primary age children. But I must say our children 'blew me away' on Thursday. We did have a set plan in mind and they followed it to the letter! Our team line ("team sports are great, you can make a new mate") put us in a great position and did the strong start by Tom. Angelina followed with a solid rebuttal of their first speaker's arguments and Jhet (with help from Georgia) closed it out with an outstanding finish.

Well team, you have made us all very proud!

Sue Hobbs

A great place to be,

## Kids Corner!

### The Winning Debate!

Two weeks ago, our debaters Tom, Jhet, Angelina and Georgia went to Forster Public School for a very nerve racking debate. Tuncurry public were our opponents, we were feeling nervous at the start but we pulled through and brought ourselves to victory! It was close but we won the overall debate, winning four lovely gold medals. We wish the best of luck for our year 4's and 5's next year hoping to have a great outcome just like us. We would also like to thank Mrs Hobbs for teaching there great life skills!

By Tom and Angelina.

### The Bulahdelah Show

Last Wednesday, Jhet and I (Bodhie) went to the Bulahdelah Show. Lots of people won places. Bailey, Keily and Nate for creative writing and Quinn and Rani for art and everyone had a great time. Jhet won the public speaking competition with his speech: The Cosmos, my Piano and Global Warming and the Betty Bramble perpetual trophy for best speech of the night. I won first place painting and a trophy for the best Artwork in the school section of show, second place writing and second place public speaking with my speech, A True Story of Mischief in the Making. I get very nervous when it comes to public speaking!

### Gymnastics-Display!

On Sunday the 12th of November, some of my club members and I went to Rooty Hill in Sydney for a Gymnastics Display. I had to wake up at 5:00am, I got ready and my mum drove me to the gates of Forster Public School and hopped on the bus with my mum. On the bus to Rooty Hill, it was a long 3 and a half hour drive. When we got there my coaches and some of the mums helped with the makeup. When our club was ready we walked into the centre where we were doing our routine, we had to practice for an hour. My team and I were the 2nd to perform. After we did our routine we had to wait for 2.5 hours, so we watched all of the routines, it took ages. Finally it was presentation time, we got silver overall. When we got back to Forster I was so tired. It was the best day ever!
