### SAS STAFF RECOGNITION WEEK

This week is School Administrative and Support Staff (SAS Staff) recognition week. A week set aside to acknowledge and celebrate the outstanding contribution our SAS staff makes to the success of our school and to all students' education.

**THANK YOU FELICE, NIKKI, REBECCA and LORRAINE**

For all of your great work in our school. We all appreciate your wonderful efforts and dedication to the students at Bungwahl Public School. I would like to invite all parents and Carers to acknowledge our SAS Staff this week with a kind message of thanks.

### FATHER'S DAY LUNCH

We would like to invite all Dad's, Grand Dad's and Step Dads to a special lunch on Friday 7th Sept at 12.pm .RSVP Tuesday 4th September.

### BOOK WEEK PARADE

It was great to see all the students arriving to school dressed as their favourite book character and to have an opportunity to catch up with parents, grandparents and friends. It's always fun to see the children discussing why they have chosen a particular character and sharing the joy of reading. Congratulations to our winners. I was very proud of the Year 5 students as they performed their Readers Theatre and Rani and Peter who read their speeches on the drought.

### YEAR 7 TRANSITION

Year 7 transition begins this week. Some of our Year 6 students will be travelling to Bulahdelah to join their Year 6 students on an excursion to Tea Gardens to participate in some fun activities, learning about High School, with their new peers. It is hard to believe our Year 6 students are in their last weeks of a 7 year primary school journey that started when they were 5!

### ATTENDANCE

Our ATTENDANCE STARS for this term are Elizabeth, Sam, Michael and Tyson. Congratulations! It is fantastic to see these students developing lifelong habits of persistence, commitment and reliability. It is so important for students to be here all day every day to gain the full benefit of the sequential learning and skills practice needed to succeed in learning.

### PARENT/CARER HOMEWORK FOR THIS WEEK

We are inviting you to share your ideas with us as we continue to make our school the best place it can be! Please think about the following questions and communicate your ideas to me in whatever way suits your learning style (You can write/draw/sing/phone me...)

#### WHAT IS GREAT ABOUT BUNGWAHL PS?

## ABORIGINAL NUMERACY DAY

On Wednesday 29<sup>th</sup> August we attended an Aboriginal Numeracy Competition at Forster Primary. Four students from Bungwahl were selected- Clare, Emily, Carda and Rani. These four students participated in three activities. The first activity was where we had to run across the field with a clip board with pages with 2 columns of addition, one person each did one column then ran across the field to the other person to do their column. After that we had recess. The second activity was "the dream crusher." It was where we had a bag of certain materials, which were the same as everybody else's. We had to make a tower higher than 450 mm but lower than 750mm. After we finished building the tower we had to see if it could survive a box dropping on it, then 1 weight, then 2, then 3. No one actually survived 3 weights. After that we had the third group which was the "treasure hunt." It was similar to battle ships although there was different boxes of things to land on like the dagger, the present and other things. We got the dagger which can wipe out their whole group and we killed 'The Palm's Team' the first chance we got! After that, we had our sausage sandwiches for lunch. We came home with a smile on our faces telling everyone we had a great time. It was a great experience for all of us and a fun way to learn Maths. Thank you for giving us this opportunity!
