## Kindy Orientation

*Welcome Kindergarten  
2019!*

A great place to be,  
a great place to learn

## SCHOOL CAPTAIN ELECTIONS

Bailey, Emily, Clare, Samuel and Carda all prepared and presented outstanding speeches this week to convince their peers that they have what it takes to be leaders of Bungwahl Public School in 2019. They talked about the qualities of great leaders. These included being friendly, kind, helpful, going above and beyond (even at weekends) to support the school, being a role model with behaviour, attendance, uniform and attitude, showing respect for all and having good ideas.

The five students spoke confidently and were very convincing. All school students and staff have voted on a ballot paper, using the preferential system used to elect our government. The two School Captains will be announced at our presentation assembly. I am excited by the leadership potential they have all displayed and know we will have a great leadership team next year.

## MORE FAME FOR NIKKI

Last Friday, representatives of SBS came to our school to interview Nikki and the students. They produced a short film that will be on the SBS website. The film is a recognition of Nikki's Environmental Educator of the Year award and the wonderful work Nikki does in leading the students in cooking, gardening and environmental education at our school. The SBS visitors were very impressed with our beautiful school environment, Nikki's programs and of course our wonderful students in Upper Division - who welcomed them to Friday sharing.

## BUS PICK UP CHANGES

As a result of an independent review of safety outside the school, we are trialling having the bus reversing into the school at the tennis court to pick up students. This will eliminate the need for students to cross the road. USE COMMON SENSE AND SLOW DOWN when turning at the tennis court when the bus is parked.

OUR CHILDREN'S SAFETY IS ALWAYS THE FIRST PRIORITY.

## TENNIS COURT USAGE

Last week we had some strangers use the tennis court during school hours. When questioned they said someone had given them permission. The tennis court is on school grounds and permission can only be obtained by staff. The tennis court is not available for people outside the school to use during school hours. ALL VISITORS ON SCHOOL GROUNDS MUST SIGN IN AT THE OFFICE.

If the school community would like to use the tennis court, as in any area of the school grounds, it is appropriate for you to ask for permission.

We are considering locking the tennis court, with a key given out when needed, (\$5 refunded deposit.) It is great to see the court being used by the school community and we encourage this to continue. Please give me your ideas on this proposal.

## CANBERRA EXCURSION

We are all getting excited as our departure for our excursion draws closer. Excursions are great opportunities to consolidate classroom learning, develop peer relationships, confidence and independence and to make life time memories!

## Simple swaps in the lunchbox

Have you already tried swapping?

Next week, why not challenge yourself to a new swap. For example:

- Chips to rice crackers
- Muesli bar to pikelets
- Juice to water with fresh fruit
