

Kindergarten Orientation

It was an absolute joy to welcome our 2022 Kindergarten students to Bungwahl school for their first orientation morning on Friday.

April, Daniel, Jasmine, Maple and Ruthie enjoyed playing, singing, parachute games and a school tour, together with friends from Kindergarten and Year 1, Miss Breese, Wayd and Mrs Tricia Tuft.

The beautiful new children appreciated the kindness and care shown to them on their arrival, by their Stage 3 buddies, Bella, Keanu, Quinn, Yindi and Frankie respectively, and asked to see them again!

The new students went into class happily and participated willingly, displaying lovely manners. The current Kinder and Year 1 students were fabulous role models and leaders. Will, Dane and Josie explained the function of the office, and everyone helped the new Kinders to select books to read in the library.

Kindergarten Orientation mornings for 2022 students, continue for three more consecutive Fridays. Bungwahl is very lucky to have such a gorgeous group of students enrolling in 2022, and we look forward to seeing them next week

Yindi and Maple, Frankie and Ruthie, Bella and April, play with flying horses and a Duplo castle.

Keanu and Daniel, Will, Dane, Xavier and Logan, play with tractors and farm animals.

Quinn and Jasmine build with shapes.

Lilith and Xavier, puzzles.

Pritica, Kian, Chillie and Josie, colour.

Book Fair Dress Up

A great place to be,
a great place to learn

Book Fair and Dress Up Day

Thank you to all the students for a lovely day on Thursday. The costumes were extremely creative - "Pig, the Pug" was running amuck, some "Real Pigeons", the Tin Man was strutting around, a viking, Bambi, a ghost, a scarecrow, Winnie The Pooh, some super heroes, some Harry Potters, lots of different animals and many others. Check out the photos attached as well as those on the school's Facebook page.

Congratulations to the students who won our little competitions – Guessing the number of pages in a book and the lucky dip draws. I hope you found something you liked in the book fair.

Quinn, Bella and Frankie did a terrific job sorting groups and setting up the 'catwalk' for the parade. Thank you, girls.

Each of the five groups had about 20 minutes to come up with a short skit to perform for us all incorporating the various costumes. We had a whingey customer in Bunnings, a mystery 'who dun it' involving Luke Skywalker, lost children and imaginary friends.

Thank you also to those who supported our Book Fair. We will do it all again in 2022!

Signed: The Book Fairy

Kindergarten Orientation 2022

It was delightful to see our new kindergarten students arrive on Friday to join our Bungwahl school family. I don't know who was more excited, Mrs Tuft or the students! From the smiles and laughter I could tell everyone was having a fun time. The Stage 3 students were mentors to their new buddies, welcoming them into the school and classroom.

Updated Advice for families from The Department of Education

From 8 November, all schools will operate on updated Level 3 settings for the remainder of Term 4. Term 1 2022 settings are under review and will be updated as soon as possible. The following link has details of what this means for schools and your children, and it includes a video of the conversation between Georgina Harrison, Secretary of the NSW Department of Education, and Professor Sharon Goldfeld, Paediatrician and Director of The Centre for Community Child Health.

SCHOOL PHOTOS

School photos were not able to be taken this year, so we have decided to offer our students a unique experience to remember their time at Bungwahl PS in 2021. Felice has agreed to take some studio portraits of students here at school. We will take individual, family, SRC photos, friends and classes. The cost of the photos will be \$5.00 each. Money raised will go towards the SRC fundraiser 'Angel Wings.' Please send money with the attached order form. Photos will be taken over the next 3 weeks.

Library Borrowing

We are now into week 6 of term 4. Week 8 will be our last borrowing week for the year. This will allow time for all the books to be returned, cleaned and shelved. We will also need to 'weed' (get rid of) damaged, old and low interest books in the senior fiction section. Upper Division will be assisting locating these books. There may be a book sale if time permits.

Bus Pass

Does your child have a bus pass? Are their contact details up to date? Are you unsure if they are eligible? Please visit NSW Transport's website to apply, update or find out if you are eligible. <https://transportnsw.info/school-travel-apply> or call 131 500. It is a requirement of NSW Transport that every eligible student have a current bus pass and that it is shown every time a bus is boarded for free travel. It is the only form of emergency contact for the bus company. If you have any questions, please contact Forster Buslines on 6554 6431 or Eggins 6552 2700 depending on your location
