Principal's Message

WOW! What a successful two weeks for our students.

SPELLING BEE LEAVES US BUZZING

Bungwahl was a buzz with excitement on Thursday when Charlotte did a fantastic job when she blitzed her division of the Premiers Spelling Bee. 'Out spelling' 17 other competitors from across the state. Charlotte is now preparing for the Grand Finals. Declan summed it up on the Kitchen Garden chalkboard when he wrote 'Congratulations, Charlotte is a WINNER'. Mr Baldwin and I discussed our relative positions if we had been in the comp and both had to admit the tough words would have seen us knocked out before Charlotte! We wish her all the best for her next challenge.

STORIES and ILLUSTRATIONS PUBLISHED

Congratulations to all students who were selected for awards in the 'Write me a Story' competition. One of the organisers of the competition, Lorraine Rogers (who is also one of our treasured and valued volunteers) presented students with their books last week. What a thrill it was to see our talented authors and illustrators getting their work published. The organisers do a wonderful job, not only judging each work but also providing great feedback to each student. We thank them all for their dedication and time they give to provide a meaningful writing challenge for our students.

BOOK WEEK PARADE

Thank you to Mrs Hobbs for organising a great day of book related fun for Book Week. The students did a wonderful job dressing up in characters 'dreaming with their eyes open.' It was wonderful to see so many families here to support the children.

NAPLAN, Check in assessments and survey.

NAPLAN results will be sent home with students today. Please check your child's bag if they are in Year 3 or 5. If you would like to discuss the results please call and make an appointment.

Year 6 will participate in 'check in assessments' this week to see how they are going in English and Maths.

Students in Years 4-6 will participate in the 'Tell them from me' survey this week. This survey asks students about their views on aspects of being at school including friends, homework and learning. If you would prefer your child did not participate in this survey let me know.

UPPER DIVISION EXCURSION 14th, 15th & 16th November

The cost of the excursion is \$300 Payments can be made in instalments or as a lump sum. Permission note sent home with student today.

SWIMMING SCHOOL

All students will be participating in swimming lessons each day during Week 1 Term 4. This is a wonderful program that prepares our students for the upcoming swimming season. Swimming is a vital skill in our beautiful area with lakes, pools and the ocean easily accessible for healthy recreation.

Students will come to school each day and have normal morning lessons. Students will have recess and change, if needed, into their swimmers at 10:30am. They are then transported to the pool for two lessons each day. Students have lunch at the pool and return to school for home time. Please complete note and return to school. THANK YOU to the P&C who generously subsidise the cost of the bus for this excursion. Cost per student is \$20.00

MUSICAL- OUR STARS ARE BEGINNING TO SHINE!

Excitement is mounting as we watch our young stars prepare for their performance next week. They are doing a terrific job polishing their performances. It is vital to have ALL STUDENTS AT SCHOOL for the next two weeks- so that they know where they need to be and feel confident in their performance. Please ensure all costumes including BLACK SHOES are sent to school tomorrow.

DON'T FORGET to BUY YOUR TICKETS

Library News

Thank you to all families who took so much trouble with our Book Week celebrations. It was terrific to see so many parents represented at our little parade. I know the children loved having you there. Thanks to your generous support for our Book Fair,

we were also able to add \$150 worth of books to our library. A special thanks also to Dan Toney for all the great photos on our Facebook page. Very professional!

The Premier's Reading Challenge has now finished, and I am happy to report we have had 25 of our students complete the challenge for 2022. This is a great effort. Certificates will arrive in the near future and be awarded later on in the year. Well done to all students involved!
